

## Informative Notice 2 – School Presidents

### To Internacional students at UTAD

Considering the national emergency situation, to ensure the regular functioning of the teaching-learning process in this school year, distance learning will be used.

In this sense, after hearing the Presidents of the Pedagogical Councils, the School Presidents inform that:

- a) After March 27, distance learning classes (synchronous activities) will begin using the most appropriate instruments for each Course Unit, namely i) SIDE, ii) Moodle, iii) Teams, iv) Colibri / Zoom , among others (see <http://e-learning.utad.pt/>);
- b) Synchronous activities will preferably be carried out at the times assigned at the beginning of the semester in each class / course at SIDE;
- c) Summaries will be inserted in SIDE, indicating, in each summary, which distance learning process is used;
- d) The FUC will be adapted to the new operating conditions of the Course;
- e) The conduct of collective face-to-face assessment tests is suspended for an indefinite period.

The teaching-learning process will be monitored by the Pedagogical Councils.

The situation will be reassessed whenever necessary.

Transitional and Exceptional Regulatory Norms for application in teaching-learning while the suspension of classroom activities at UTAD lasts due to the pandemic COVID-19 are being prepared.
